

DISCOVER YOUR PERSONAL STYLE

YOUR PERSONAL STYLE TELLS YOUR STORY - LET'S DISCOVER WHAT IT SAYS.

This style test has 17 questions, each with 7 answer choices **from A to G**. There are *no right or wrong answers* — just choose **what feels like you**. If more than one choice fits, pick them all, as long as they reflect your real style.

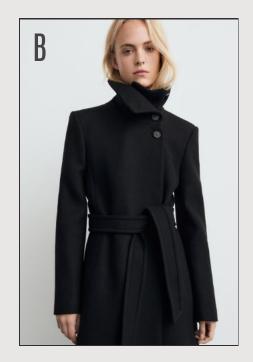

You'll explore what you truly enjoy wearing, from favorite colors to weekend outfits, and understand why some pieces stay in your closet while others feel perfect.

At the end, **add up your letters** to see your style type and uncover the story within your wardrobe, define the essence of your style, and build a deeper connection to your true aesthetic.
